

PROPERTY NAME & LOCATION:

Do you want the final drawing you will receive to include:

- Room names (please indicate the room names in your sketch)**
 - Room areas**
 - Total rentable area**
 - Property highlights (please indicate them on your sketch)**
- The survey is in metric or imperial (feet, inches) units

Step 1:

Print the planning sheet (best at 100%, do not scale)

Step 2:

Get a rough image of your place and starting from the entrance make a rough sketch. It does not have to be exact but if you prefer to be exact then you can measure the rooms and mark the dimensions.

Step 3:

Indicate all doors, windows and staircases.

Indicate any fixed furniture in the bathroom and kitchen. Indicate any freestanding furniture.

Step 4:

Label any rooms, furniture pieces or highlights, make arrows pointing outside the house to points of interests like outdoor deck, pool, or the beach etc.

Step 5:

When the sketch is done, take a picture with your phone or camera and add it to your order. If you have already placed an order, send it to floorplansin3d@gmail.com

Thank you!
